

Investing in your Wedding with

PROFESSIONAL PHOTOGRAPHY

At PROFESSIONAL PHOTOGRAPHY we understand how important your wedding day is to you and how a great photographer can capture that perfect day.

Our approach is artistic with a touch of glamour and importantly fun. Using a variety of photographic styles is the key to telling your wedding day story; whether reportage for those natural moments, still life for the detail, traditional for Mum and Dad and of course fashion for the happy couple and their guests. Our service on your special day is friendly, respectful and you are treated with the greatest importance to enhance your wedding experience.

Continuing our focus on detail, **PROFESSIONAL PHOTOGRAPHY** offers tailored packages to meet your needs and budget. Using hand built Mario Acerboni Italian albums that have been established for over 50 years together with the latest technology in high definition digital printing.

Extravagance Wedding Package

- **Pre-wedding consultation & photo**

Your wedding day is a very special but busy day and to ensure things run smoothly and completely to your requirements a pre-wedding consultation is provided to fully understand and meet your expectations. Included is a pre-wedding photo shoot and selected edited images provided on DVD together with 3 mounted 6" x 9" high definition prints.

- **Duration**

From bridal preparation, to the wedding venue, capturing the guests and the groom prior to the arrival of the bride. Continuing with the ceremony and reception with mock cake cutting and the first dance.

- **Selection & Editing**

All photos taken will be selected and edited to ensure that they have truly captured the essence and feel of the day and presented in a luxury case on DVD which also contains a small selection of your photos.

- **Proof Book**

Your selected and edited images will be printed in a book, which you will keep, from which you will be able to choose your favourite photographs for your final album.

- **Mario Acerboni Italian Digital Albums x 3**

Using the selected and edited images your digitally printed story book album will be designed and presented in a high quality, 40x30cm Italian leather Mario Acerboni Album, containing 20 sides of images. This album will be presented in it's own fabulous carrying case. The main album will be accompanied by 2 additional parents albums; again Italian leather Mario Acerboni Albums, featuring 20 sides of images, each measuring 20x15cm.

- **Online gallery access**

Confidential password protected access is available to your online gallery to view your selected and edited photographs.

- **Thank you cards**

You can now complete your wedding in style by sending out thank you cards with an image from your wedding. 30 thank you cards and envelopes will be included in this package.
